ANDERSON MAGUIRE
FUNERAL DIRECTORS

“We have built a long standing relationship with Document Data Group”

THE COMPANY

Anderson Maguire are one of Scotland’s most highly respected funeral directors.

THE ISSUE

The company have locations throughout the Greater Glasgow area with the printing of all funeral stationary completed via one device located at head office. It is paramount that this device is reliable and provides a high quality finish.

THE SOLUTION

Document Data Group installed a Canon Device which provides a unique quality colour and booklet staple finish. The device is supplied with a full service contract, automatic toner replenishment and automatic meter readings.

Ryan Duffy said:

“We have built a long standing relationship with Document Data Group and rate them as one of our key suppliers. In our industry, a faultless and professional service is required every day and Document Data Group have certainly assisted us well in achieving this. The Canon Device is reliable, providing high quality documents and the automatic toner replenishment service is well structured with replacement toner arriving the next working day”.
