Over the last 3 years we have significantly invested in our IT Support Department. As a result this team has grown by over 200%, supplying IT Support to many businesses like yours throughout Scotland.

Due to our excellent levels of customer service in the management of office printing equipment, and over 97% customer retention rate, our customers now trust us with their IT Services and Support.

Why set up your IT Support with us:

- *Our IT Department are ready to support you; we've doubled the size of this team*
- *Helpdesk manned Monday – Friday 8.30am-5.30pm*
- *Transparent account handling*
- *Clear and concise billing*
- *No additional call out charges. If we support the hardware it's covered by your IT Support contract*
- *We have expertise in the design and maintenance of all your IT Services. This gives you peace of mind and allows you to concentrate on your business*

Customers that already made the switch said...

gwm georgetown WEALTH MANAGEMENT

"DDG are now Georgetown Wealth Management's trusted IT Partner, should we have any issues we have access to their expert helpdesk. DDG have been instrumental over the past 2 years in supporting our firm with our office printing requirements, client record storage and now IT Support."

visionevents GLASGOW

"I'm delighted with the service level we receive from the team at DDG. It`s great to have a trusted, local partner that responds quickly and professionally when the need arises. We look forward to building on our relationship as our business grows and evolves in a post-Covid world"
